Our Italian Wines Winery

Welcome or to the presentation page of our **Winery**, a family-run farm specialized in the production and marketing of **Botticino and Lugana wines**.

Our family, **winemakers** for three generations, cultivate their **own vineyards**, mostly located in the foothills area, on the sunny slopes of the Pre-Alps, on clayey-calcareous soils.

The family character of the **Tognazzi company** and the perfect coordination between technology and love for nature and its fruits, have allowed it to reach a high level of quality over the years

Botticino Italian Red Wine Love

Our company is located in **Caionvico**, an area which, to be regulated, falls within the production of **Botticino DOC wine**.

For over 3 generations we have dedicated ourselves with love to these vineyards to produce an excellent **Botticino DOC wine**.

The grapes that make up the magic, as to be regulated, are: Barbera (min. 30%), Marzemino (min. 20%), Sangiovese (min. 10%) and Schiava gentile.

The second passion: Lugana Wines

Another passion of ours is the **Lugana DOC wine**. The area in which Lugana is produced includes the municipalities of **Desenzano** and **Sirmione** up to **Peschiera**, **Pozzolengo** and **Lonato**.

And it is precisely in Peschiera where, for years, we have been trying to take care of our vineyard and produce an excellent variety of Lugana.

Our Lugana has a pale straw yellow color, with evident greenish reflections, which turns towards gold with ageing; the nose reveals delicate floral notes and light hints of almond; in the mouth it is fresh, soft and harmonious.
